Honorable Bert Teague,
Administrative Assistant,
State House
Concord, New Hampshire

Dear Mr. Teague:

Laws 1950, c. 5, Pt. 7, s. 5 (The Re-
organization Act) provides that "the governor and council
shall assign rooms to the different departments".

This part of the Reorganization Act
amended R.L., c. 12, s. 12, under which the Governor and
Council used to assign rooms by defining the authority of
the Superintendent of State Buildings and Grounds to in-
clude such function.

The answer to your precise question
as to wherein lies the authority for room assignments is,
simply, the Governor and Council.

Respectfully,

Louis C. Wyman
Attorney General
